Wealthy Englishwoman Lady Elizabeth Baylor is stranded in America's rugged, untamed, lawless West and wants to find the man who stole her fortune. She hires notorious, ill-mannered, ruthless bounty hunter Logan Best for the job. When two people from very different worlds meet, it's more of a collision than casual acquaintance. Full of great banter and fiery romance, LOGAN's LADY still holds all of the Old West danger and adventure Bittner is known for.
